

Chicken Sausage Jambalaya

Modified from Mr. Joe Nicolosi, *River Road Recipes*, Baton Rouge, LA

3 Lg onions, finely chopped	Garlic Powder
Tony Chachere's Creole Seasoning	3 lbs sausage (Conecuh Smoked Sausage)
10 green onions, chopped	Cooking oil
½ bunch parsley, chopped	9 ½ cups Chicken broth
6 Lg cloves (wedges) garlic, chopped	2 Tbsp Kitchen Bouquet Browning & Seasoning Sauce
4 chicken breasts, cut in cubes	3 tsp Better Than Bouillon Base or chicken bouillon cubes, crushed
12 chicken wings or 24 wing pieces	Red/Cayenne Pepper or Black Pepper
5 ½ cups rice, not cooked (Mahatma Long Grain)	1 tsp Rosemary
1 Large Skillet or Pot	2 tsp Italian Seasoning
1 Large 15" Roaster	1 lb Medium Shrimp plus 1 tsp of seasoning (optional)

- Step A _____ First, you must have a large skillet or heavy pot. Most cooking is done in the same skillet or pot then transferred to the large roaster to bake.
- Step B _____ Finely chop onions and place in a bowl and Creole season the tops. Finely chop green onions and place in a separate bowl and Creole season the tops. Finely chop parsley and garlic and place in a separate bowl and Creole season the tops.
- Step C _____ Cut up chicken. Season both sides with garlic powder, red pepper, and Creole seasoning. Cut up sausage into 1/2" pieces.
- Step D _____ Brown the chicken in deep hot oil for 6min (3min each side). Drain on paper towels in a shallow pan. Do not cook longer or chicken will fall apart later. After all the chicken is brown, take out the oil and brown the sausage.
- Step E _____ After browning the sausage, remove nearly all the sausage oil and save in container for cooking seasoning. Now you are ready to cook the seasoning which uses very little oil and makes its own juices. (Do Not Clean the Skillet/Pot. That black stuff is good!)
- Step F _____ Sautee onions until tender. Add green onions, parsley, and garlic. Cook until green onions are wilted. Add sausage oil to keep moist. Add Rosemary and Italian Seasoning. Mix well.
- Step G _____ Place the large roaster on the stove over 2 burners on medium. Add the chicken broth, Bouillon base or crushed cubes, and Kitchen Bouquet sauce to give a dark brown color. Add Cooked Seasoning to broth. Mix well.
- Step H _____ Bring water to a boil rapidly. While waiting for water to boil, Add 4 tsp of Creole seasoning to the water. Taste. Keep adding seasoning until the water is slightly too salty. (4-6 total tsp Creole seasoning) Add black and red pepper to taste.
- Step I _____ Put meat (chicken, sausage, and shrimp (optional)) into the roaster piece by piece to keep unnecessary oils out.
- Step J _____ Once the water boils a few minutes, cut fire very low and add the raw rice evenly throughout the roaster. Gently push the rice in the broth and off the meat using the spoon. Do not stir.
- Step K _____ Cover and bake in the oven at 350 deg. C in the roaster for 1 hr. Add up to 15min. if rice appears too wet in the middle of the pot. Cook until rice is done. Serves 20.
